

## Technical datasheet

# STAB 2000

Brand	EREA
Article Number	STAB 2000
EAN-code Barcode	5414503116277
Code	11627
Product type	AC Voltage Stabilizer
Primary Voltage	230V (195,5 - 264,5V) V AC
Secondary Voltage	230V AC (±1%)
Power	2 000 VA
Standards	EN-60950-1   EN-61000-6-3

### General properties

Applications	For all applications requiring a "clean sweep" system (measurement instruments, automatic control circuits, computers)		
Maximum ambient temperature $t_a$	45 °C		
Degree of protection	IP20		

### Electrical properties

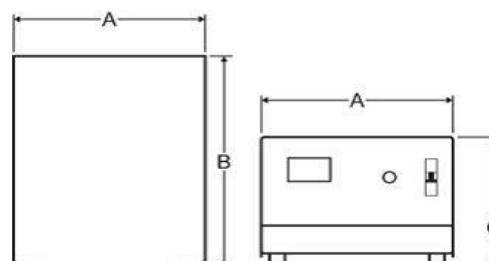

Frequency	50-60 Hz	Efficiency	> 98 %
Specific property	Correction time 20 V/sec Stability < 1%		

### Mechanical properties

Primary connection	Power cord
Secondary connection	Socket

### Dimensions/weight

Dimensions AxBxC	255x310x170 mm
Weight	17,0 kg

rev. 03.12.2020
